Master of Science in Translation and Interpreting (MTI)

Masters programs are for Male and Female students

◆ About The Program:

The Master of Science in Translation and Interpreting (MTI) combines training in translation and interpretation. It admits qualified graduates of translation programs, as well as students from other humanities and social sciences backgrounds. The program in Translation and Interpreting is one of the few master's degree programs in KSA. It fills a current need for competent translators and interpreters in Saudi Arabia and the region.
