Overseas Student Financial Guarantee – Part I

Student's Name _____

Country of Birth _____

Effat University regulations require documentation that sufficient financial resources are available to meet a prospective student's educational and living expenses while in the KSA. Therefore, we require a guarantee of financial resources from each applicant who expects to obtain or maintain a student visa.

Student Visa cannot be issued until this information is provided. Scholarships available to Overseas students at Effat University are limited, and students should not rely on scholarship funds to finance their educational costs.

Applicants are required to submit financial documentation that equals or exceeds one full year of expenses for the program of study. Adjustments in the financial certification cannot be made based on a student's individual circumstances. This estimate is based upon full-time course work each semester for studies.
